

2024-2025 Toledo Camera Club Season

The internationally known Toledo Camera Club has been a Toledo institution since 1904. A non-profit organization, it is composed of people interested in sharing their interest in photography.

Membership in the Toledo Camera Club offers beginner and advanced photographers the opportunity and the incentive, through critique and competition, to develop, improve and show their photos at our meetings. Program nights offer educational opportunities to learn about photography. Field trips are also available to members as scheduled.

Come visit our club this season. Meetings are held at Ohio Living Swan Creek, 5916 Cresthaven Lane, Toledo, OH 43614; Sept - May, at 7:00 PM on the 2nd and 4th Monday of those months. (Get directions on our web site.) You may find just what you are looking for to improve your photography and sharing your ideas with other people whose interest is photography.

Annual dues are: • \$ 30 Individual • \$ 45 - 2 immediate family members

How To Enter Images In Competitions

Check toledo.virtualpursuits.com: Organization>TCC Bylaws for complete bylaws. Our schedule shows dates when to enter and when competitions are presented. The three experience levels for members to compete in are:

• Beginner Group • Intermediate Group • Advanced Group

The 5 divisions of inter-club competition available for members are:

- **Prints** - any subject, monochrome and/or color prints (judged separately)
- **Digital Nature Images** - nature subjects, presented as seen in nature, not indoors, must show no human elements, no cultivated plants, no domestic animals, etc.; color only
- **Digital General Images** - any subject that shows the human element such as people, buildings, roads, cultivated plants, domestic animals, etc.; color only
- **Digital Creative Images** - any subject, must show image of altered reality by OBVIOUS manipulation in the computer, not a straight photo; ALL components of the creative entry must be that of the member; color & may have some monochrome areas
- **Digital Monochrome Images** - any subject; black & white, or black & white with 1 tone applied to the entire image, e.g. sepia toning

Contact any chairman for more information if you have questions about entering.
